- Corrugated rails are constructed from 1/8" thick material
- Made for high impact resistance indoors or out
- Bolt-On Style Rails are designed for permanent installation
- Hardware is provided with individual rail sections
- Drop-In Style Rails allow easy accessibility
- Slide rail sections into post saddles for simple assembly
- Each drop-in style rail section includes two brackets and hardware
- Posts are constructed of 1/4" thick material
- Mounting holes on all four sides; use as corner or center posts.
- Posts measure 4" x 4" with a 10" square steel base plate that is 5/8" thick
- Optional gate available for easy access in and out of work area
