Steel Dock Chain Barrier Bollard Conversion Hardware Kit Yellow

MODEL DCBB-B-KIT

Loading Dock Equipment / Dock Chain Bollard Barrier Systems

PRODUCT OVERVIEW

The bollard conversion kit is a great addition to the bollard barrier system. The kit is ideally used to convert existing bollards into barrier systems. The kit includes four (4) bollard mounting brackets, (12) twelve self tapping screws, (1) post welded bracket, and (4) four quick links. This kit is not compatible with 2 inch diameter bollards or 24 inch tall bollards.

KEY FEATURES

- Provides solution for attaching chain to existing bollards
- Simple installation enables immediate use
- Features durable construction for added strength and long life
- Use in industrial applications for optimal safety
