

Steel E-Track 10 Ft. Length 1 Pack Gray

MODEL E-TRK-10-GY-1PK

Loading Dock Equipment / Cargo Bars

PRODUCT OVERVIEW

The E-track is a great benefit to shipping and cargo loads. With a steel construction the track allows additional bars to become attached to it. Once, the additional bars are in place the shifting of items becomes minimized. The track design lets the user choose from an array of ports for precise placement.

KEY FEATURES

- Secures cargo bars in place
- Easily surface mounted
- Variety of positioning points
- Durable powder coat finish
