Stainless Steel Fully Electric Pallet Truck 27 In. x 63-1/2 In. 3,000 Lb. Capacity Silver

MODEL EPT-2748-30-SS

Ergonomic Solutions / Stainless Steel Fully Electric Pallet Truck

PRODUCT OVERVIEW

When you need a break from manually moving those heavy loads, look to the electric pallet truck! With multi-function capabilities the user has access to the raise lower buttons and emergency brake right in the steering handle. Powered by an internal lithium ion battery, the truck can be used for long durations while still maintaining its lifting muscle! All areas are easily accessible for general upkeep and cleaning. Truck can be used with the handle in the upright position for utilization in the small areas.

KEY FEATURES

- Extended battery life for continuous use
- Ergonomically friendly handle
- Open design for simple washing or maintenance
- Stainless steel finish
