

Steel Semi-Permanent Barrier Railing 120 In. Length White

MODEL SPR-120-W

Protective Barriers / Semi-Permanent Barriers

PRODUCT OVERVIEW

This attractive, durable semi-permanent barrier railing has a white powder-coat finish over a galvanized finish which provides long life without rusting, fading, or cracking. Each rail section includes brackets and hardware for connecting to post. Mount up to two (2) rails per posts. Posts are held in place by pre-drilled heavy-duty black molded rubber base. Concrete mounting hardware is included with each post base.

KEY FEATURES

- Powder-coat finish gives unit an attractive look
- Brackets and hardware make rail section connecting simple
- Pre-drilled heavy-duty black molded rubber base holds unit in place
- Easily movable when transitioning to new area
